

MOBILE FOOD VENDOR LAUNCH CHECKLIST

A practical checklist for getting your mobile food business ready to sell.

01 — DEFINE YOUR OPERATION

- What type of mobile food unit will you operate? (Pushcart • Food Truck • Trailer • Pop-Up • Other)
- What type of food will you sell?
- What equipment is required to prepare your food?

02 — GET LEGAL

- Determine the permits and licenses required by your state and local government.
- Obtain any required EIN, Tax ID, or Sales Tax Permit.
- Complete required food-safety training.
- Make sure your mobile food unit meets applicable requirements.
- Make sure your food-prep and storage setup meets applicable requirements.

03 — BUILD THE BUSINESS

- Calculate your startup costs.
- Find a reliable distributor/supplier for your ingredients.
- Build your recipes and SOPs.
- Calculate your COGS.

04 — GET READY TO SELL

- Find a good location.
- Make sure you're permitted to operate there.
- Stock your ingredients and supplies.
- Prepare your equipment and food.

05 — LAUNCH

■ SELL. ■
